St. Ignatius' Prayer for Generosity

Lord, teach me to be generous.

Teach me to serve you as you deserve;

to give and not to count the cost,

to fight and not to heed the wounds

to toil and not to seek for rest,

to labor and not to ask for reward,

save that of knowing that I do your will.

Team Rubicon Mission

Team Rubicon bridges the critical time gap between large natural disasters and conventional aid response. We provide vanguard medical care by fielding small, self-sustaining, mobile teams of specially skilled first-responders. To deploy rapidly, we rely heavily on a horizontal command structure, social networking technology, and the employment of local nationals.
