 American Heart Association
 life is why™

By accepting this CPR Anytime kit I am choosing to educate my community in the lifesaving skills of CPR. I commit to training at least 5 more people in Hands Only CPR using this kit and returning this roster to the American Heart Association to be entered into the Community CPR Tracker. We will make Detroit a safer city. Life is Why!

Don't forget to take pictures of your trainings and post to social media with #CPRDETROIT
