

EMS ENCOUNTERS WITH HUMAN TRAFFICKING: EAST COAST

Sophia Dyer, MD, FACEP, FAEMS

Associate Professor, Department of Emergency
Medicine

Boston University

Medical Director, Boston EMS

HOW I ALMOST
MISSED A CASE AND
NOW BELIEVE EMS IS
KEY!

PS—Most cases
don't look like
this!

Location of Potential Human Trafficking Cases in the U.S.

This map only reflects cases where the location of the potential trafficking was known. Some cases may involve more than one location.

IF YOU HAVE A CONNECTION WITH THE
PATIENT...OFFER SOME QUESTIONS

- Is anyone forcing you do anything?
- How do you pay for your drugs?
- Can you come and go as you wish?

GOAL IS NOT RESCUE OR DISCLOSURE

Make the goal keeping
the patient's trust.
Inching closer to finding
a safe path.

VICTIMS OF SEX
TRAFFICKING ARE OFTEN
LURED INTO ENSLAVEMENT
BY THE PROMISE OF
A BETTER LIFE,
ONLY TO FIND THEMSELVES
TRAPPED IN EXPLOITATION.

TRAFFICKING
