A photograph of a building entrance. The building has a light-colored, possibly stucco, facade. Above the entrance, there is a long, horizontal row of windows. The windows are reflecting the sky and some palm trees. Below the windows, there is a large, dark, rectangular sign with white text. The sign reads: "Welcome Back My Friends To The Show That Never Ends" followed by "Emerson, Lake & Palmer" in a smaller font. The entrance itself is a large, arched opening. Inside the arch, there is a large, circular, orange-colored light fixture. Several cars are parked in front of the entrance. The overall scene is captured in a wide-angle shot, showing the building's facade and the entrance area.
